

Group Contract

Instructions:

- Fill in answers to the following questions with your other group member(s).
- Responses can be just a sentence or two or bullet points.

1. How would you like to communicate?
2. What are your expectations about working and deadlines?
3. What are your core values?
4. What caliber of work do you aim to produce?
5. How will work be distributed?
6. How will conflict be resolved?
7. How will you work collectively on coding? How will you standardize data/coding/naming?

Pick Dataset

Instructions:

- List the name of the dataset your group will use below.
- If applicable, include a link / citation to the data source.
